Imagine stunning scenery with easy access to rugged wilderness, a well-equipped Arts Centre, and cozy comfortable rooms, all with ocean views. Flinders Island's extraordinary beauty combined with Mountain Seas facilities, provide an exceptional artistic opportunity. All this is complemented by organically grown vegetables, fruit trees and flowers.

Artist retreats for one person, a couple or a small group can all be accommodated at Mountain Seas. We welcome teachers who want to bring their groups, and individuals who know they want to immerse themselves in the natural world, and find their unique creative expression.

## THE FACILITIES:

**The Art Centre:** can host workshops in various mediums, and accommodate up to 20 people in the four work areas available. ## NATURE:

Mountain Seas is contiguous to 40,000 acres of national park. We have private trails accessing tall trees, fresh water streams, waterfalls and sculptural granite boulders. The walk to the highest peak of Strzelecki Mountain begins one km from the property.

The beaches, two kilometers from Mountain Seas, are among the best in the world. The white sandy beaches of Fotheringate and Trousers Point are featured in magazines such as Australian Geographic.

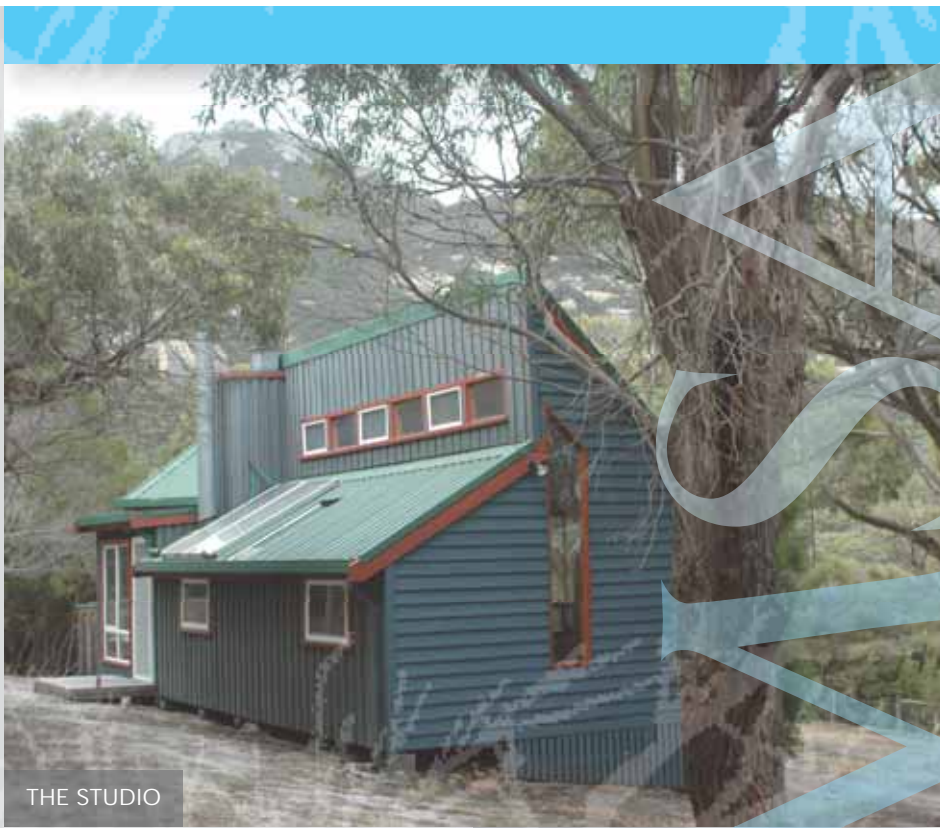

**Certified Organic Gardens:** Mountain Seas has several garden areas that provide vegetables and fruit.
